Psychology Experience (Volunteering & Internships)

Since 2015, I have participated in various volunteer projects and unpaid internships related to psychology. My work has focused on:

- Emotional support and psychological coaching.
- Crisis intervention and trauma management.
- Personal development and resilience building.

Education

- Compañía de María – Secondary Education – 2009–2013
- IES Blecuá – High School Diploma / Baccalaureate – 2013–2015
- UNED – Degree in Psychology (Ongoing, self-directed studies) – 2015–Present
- ELBS School – Master in Psychological Coaching – 600 hours | Grade: 8 | Completed May 2024

Notable Projects

- E-commerce Management: Redesigned layouts and user experiences for two online stores (clothing and tech), increasing customer retention by 20% through spatial optimization and targeted marketing.
- Music Production: Improved home studio setup for higher efficiency and audio quality; released over 10 original songs with 15,000+ streams.
- Creative Writing: Author of two completed books and currently developing a third one. These works feature complex narratives, character development, and a visual-cinematic structure for potential adaptation to film.
